BOYS & GIRLS CLUB
OF LAWRENCE

April 25, 2018

Dear Lawrence Neighbor,

We need your help. The Boys & Girls Club of Lawrence would like to host a fundraiser called "Over The Edge" on August 25, 2018. Like the name implies, participants will literally go over the edge of a building and rappel down to the street. We have selected the 888 Lofts building! We are very grateful to First Management and the staff at 888 Lofts for their partnership in this, but your approval is extremely important to us, too. This is a high profile, unique event, and I'm really excited to bring it to Downtown Lawrence.

Please sign below if you approve of the following:

- Partial street closure on 9th Street from the 9th & New Hampshire intersection to the alley on the corner of the 888 Lofts building, from 8 am to 6 pm on August 25, 2018. This is approximately half of the block. (Special consideration is being made to keep access open to the Downtown Marriott parking garage.) See attached site map.
- A ground party will take place inside the fenced area. Approximately 80 participants will be invited to attend, as well as our event sponsors, BGC supporters and the general public. We expect 300-400 people at the ground party throughout the day, hopefully driving traffic to each surrounding business.
- Boys & Girls Club is responsible for providing trashcans and restroom facilities on site.
