Job Target: Appointment to the Lawrence HRC

Relevant Experience:

Registered Buildings:

Kansas Statehouse Preservation and Restoration

Project Architect/Manager

Cooper Hall, Sterling College

Project Architect/Design Team

Buildings located in Environs:

Lawrence Judicial and Law Enforcement

Project Architect/Manager

Rieger Scholarship Hall, University of Kansas

Project Design Team

Current Responsibilities:

Employment:

For the past three years, I've been working on the Kansas Statehouse project, currently managing the construction of the Parking Garage and Visitor Center.

Community:

Worked to establish a Breezedale Neighborhood Association by serving on the "Bylaw Creation Committee", and am currently serving as the first President of the BNA. Over the last year I've been working with members of the LPA and the Lawrence Historic Resources Administrator to establish a historic district in Breezedale, and with Lynne and the City Manager to develop a plan to preserve and restore the Breezedale monuments.

Work History:

2000 – Present	Treanor Architects Project Architect/ Manager	Topeka, Ks.
1998 – 2000	Gould Evans Associates Project Architect/ Manager	Lawrence, Ks.
1996 – 1998	Places Architects Project Architect	Wichita, Ks.
1993 – 1996	Pettit Bullinger Associates, P.A. Intern Architect	Wichita, Ks.

Education/Professional Licensures:

1993	University of Kansas – Bachelor of Architecture
1998	Licensed Architect, State of Kansas
