RE: Project No. 23-CP7-496(P)
Briarwood Addition
Street, Storm Sewer, and Waterline Improvements
Sidewalk Construction

Dear Mr. Stewart:

It has been brought to my attention that the sidewalks in Briarwood Addition have never been completed. Per the Amended Final Development Plan for Briarwood PRD filed July 24, 2003, the owner shall install sidewalks by April 1, 2004 or request approval of a new agreement with the City Commission to establish a time frame for completion prior to April 1, 2004.

As of this date, no request has been made for a different time schedule for constructing sidewalks. Please submit in writing to Dave Corliss your proposed schedule for construction of these sidewalks.

If you have any questions, please feel free to call me at 832-3130. Thank you for your immediate attention to this matter.

Sincerely,

Terese A. Gorman, P.E.
City Engineer

March 2003 →
wait - would you please check which lots in Pasadena
still do not have houses, and then which lots do not have
sidewalk.
