SUBJECT: Traffic Hazard
DATE: Thursday, April 01, 2004

I was on regular patrol on 04 01 2004. I was westbound on 15th Street at Kentucky Street and was attempting to turn right onto Kentucky Street at the "T" intersection. I was unable to see oncoming traffic on Kentucky Street due to vehicles parked along the east curb of Kentucky Street and south of 15th Street. I checked with the Signs and Signals Department to see if a "NO PARKING HERE TO CORNER" sign had been legislated for the north end of Kentucky Street on the east side of the street. I was told that no sign had been approved for that area.

I feel that the intersection is unnecessarily dangerous as it is currently legislated. I also believe that placing a "NO PARKING HERE TO CORNER" sign some distance south of the intersection would alleviate the problem.

Thank you for your consideration in this matter.

Respectfully submitted,
Officer J. Phillips 7706
