Subject: The Yacht Club and parking issues

To Whom It May Concern,

It has become an issue of parked cars up Wisconsin near 6th St. due to a club known as the Yacht Club.

Since they re-opened there has been parked cars up one side of the road (Wisconsin) especially on Th,F, and Sat.
 Main Issues:

A)Cars are unable to pass each other on Wisconsin safely

B)Several Mail boxes have gotten knocked down and needed replaced not just once, but several times.

C)People unable to get out of their own parking lots

D)and People going to the bar, parking in our front yards, back yards and parking spaces.

On this page is a list of petitioners who feel the same way I do. We would like to see NO PARKING signs on the other side of Wisconsin for safety and cost reasons. This is not only for ourselves but for our children too.
