**Strengthening Local
Human Services**

Roger Hill Volunteer Center
United Way Center for Human Services
Local Funders Group

The United Way has several requests for temporary signs to bring to your attention, all in relationship to our annual campaign. We are asking for these signs to be considered "signs of community interest."

First, the United Way wishes to display 17 banners which say "United Way Helps Here" at 16 of our member agency locations. We would like to begin displaying the signs on September 15 and continue through the United Way campaign until November 19.

The banners are 8 ft. by 3 ft., made of canvas, and displayed on the outside of United Way agencies. See the attachment for a list of the locations.

The purpose of this effort is to educate the general public about where United Way funded services are located in the community and also to call attention to the United Way campaign while it is in progress.

Secondly, we hope you will continue to allow our campaign sign located at the northwest corner of Iowa and Clinton Parkway to be displayed. The University of Kansas has granted permission for the United Way to put its sign on their property. The sign is donated to the United Way by Star Signs and will be maintained by them. The dates we propose to have the sign on display are September 15 through November 19. A photocopy of the sign is attached.

Thank you very much for your consideration of this request. If you have additional questions or concerns, please call me.

Sincerely,

Colleen Z. Gregoire
Campaign and Communications Manager

CC: Dave Corliss
