Traffic & Safety Commission
PO Box 708
Lawrence Ks 66044

Dear Commissioners:

As a representative on the Applegate Homeowners Association Board, and an owner/resident on Applegate Court, I was selected to petition the Traffic and Safety Commission to consider banning parking on one side of the narrow, hilly cul-de-sac.

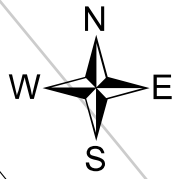

When large SUVs are parked on both sides of the street, it is difficult for even a small car to maneuver between them. During icy and snowy conditions, it is dangerous to even consider it. Because several of the units on Applegate Court are leased by college students, there seems to be an abundance of large trucks and SUVs during the evening hours and at party times.

Our Homeowners Association respectfully submits this concern to your commission, and asks that you please observe particularly the elevated rise of the street leading up into the cul-de-sac, and give consideration to banning parking on one or the other side of the street.

Thank you for your thoughtful consideration of this matter.

Sincerely,

A handwritten signature in cursive script that reads "Karen R. Wright".
Karen R. Wright
