Subject: traffic parking in Stonegate Subdivision

Traffic Safety Commission
City of Lawrence
PO Box 708
Lawrence, KS 66044

RE: Stonegate Subdivision

This is a formal request for traffic/parking control in the Stonegate Subdivision in Lawrence, Kansas.

Several residents have concerns regarding the current traffic/parking situation in the area. Due to the lack of parking ordinances in the subdivision, vehicles are parked on both sides of the streets. This is creating obstacles for school buses, construction equipment vehicles and garbage trucks as well as local residents. Snow removal during the winter months also proves very difficult.

It is our request that parking signs instructing vehicle owners "parking this side of street only" be implemented on the following streets:

Morning Dove Circle
Eagle Pass Drive
Fieldstone Drive
Gunnison
Hillsong Circle

I look forward to hearing from the commission soon regarding the next steps to improve our situation.

Thank you,

Heather Alford

Traffic Safety Commission
City of Lawrence

We are writing in support of the proposal for a parking ban on one side of the street for Grand Vista and North Eagle Pass Dr.

We support the proposal for the following reasons:

1. All homes in this development have usable driveways and there should be no shortage of parking availability in driveways.
2. One-sided parking will increase visibility and safety for both traffic and pedestrians on the hills and curves in this area.
3. It will provide for easier curb access for the school bus. There have been a number of occasions when the school bus has been unable to negotiate the left hand turn from Grand Vista onto North Eagle Pass Dr. due to vehicles parked on both sides of the street.

Additionally, we would ask the commission to consider extending the area of the proposal to include Tillerman Drive. Due to the current amount of construction traffic from Hutton Farms plus the number of vehicles parked on the street frequently causes this street to be impassable to two-way traffic.

Please do not hesitate to contact us if you need further information.

Sincerely,

Scott & Julie McEathron

Subject: TSC Agenda Item 5

FYI

At 12:52 today, I received a telephone call from Janella Williams, 913 N Field Stone Drive, opposed to the request for NO PARKING along one side of her street.
