Unity Church of Lawrence

Proposed "Sign" - Work of Art

November 2004

Description of Project

Unity Church of Lawrence is requesting a permit to affix etched sheet metal to two sides of a brick column located adjacent to the southwest corner of the church building at 900 Madeline. The brick column is 2'w x 4'd x 12' h.

The proposed project involves affixing a 2' x 12' sheet of metal to the south surface of the brick column. (See Figure 1) The metal would be covered with words approximately 1" high representing all the names for "God" etched into the surface. Three-dimensional letters spelling out "one" would be affixed to the metal surface. The attached drawings show the location and general concept.

The north surface of the brick structure is 4' x 12" and would be faced with sheet metal with the words "One presence, many paths" etched into the surface. Subtle spotlighting is planned, directed at each of the two faces of the column.

Figures 2 and 3 provide pictures of the brick column and its location near the southwest corner of the church.

Figure 4 provides a sample of the lettering proposed for etching into the metal surface. The letters would be approximately 1" high, etched into the metal without coloring.

Figure 1. Artist's Rendering. The west-facing southwest corner of the Church building.

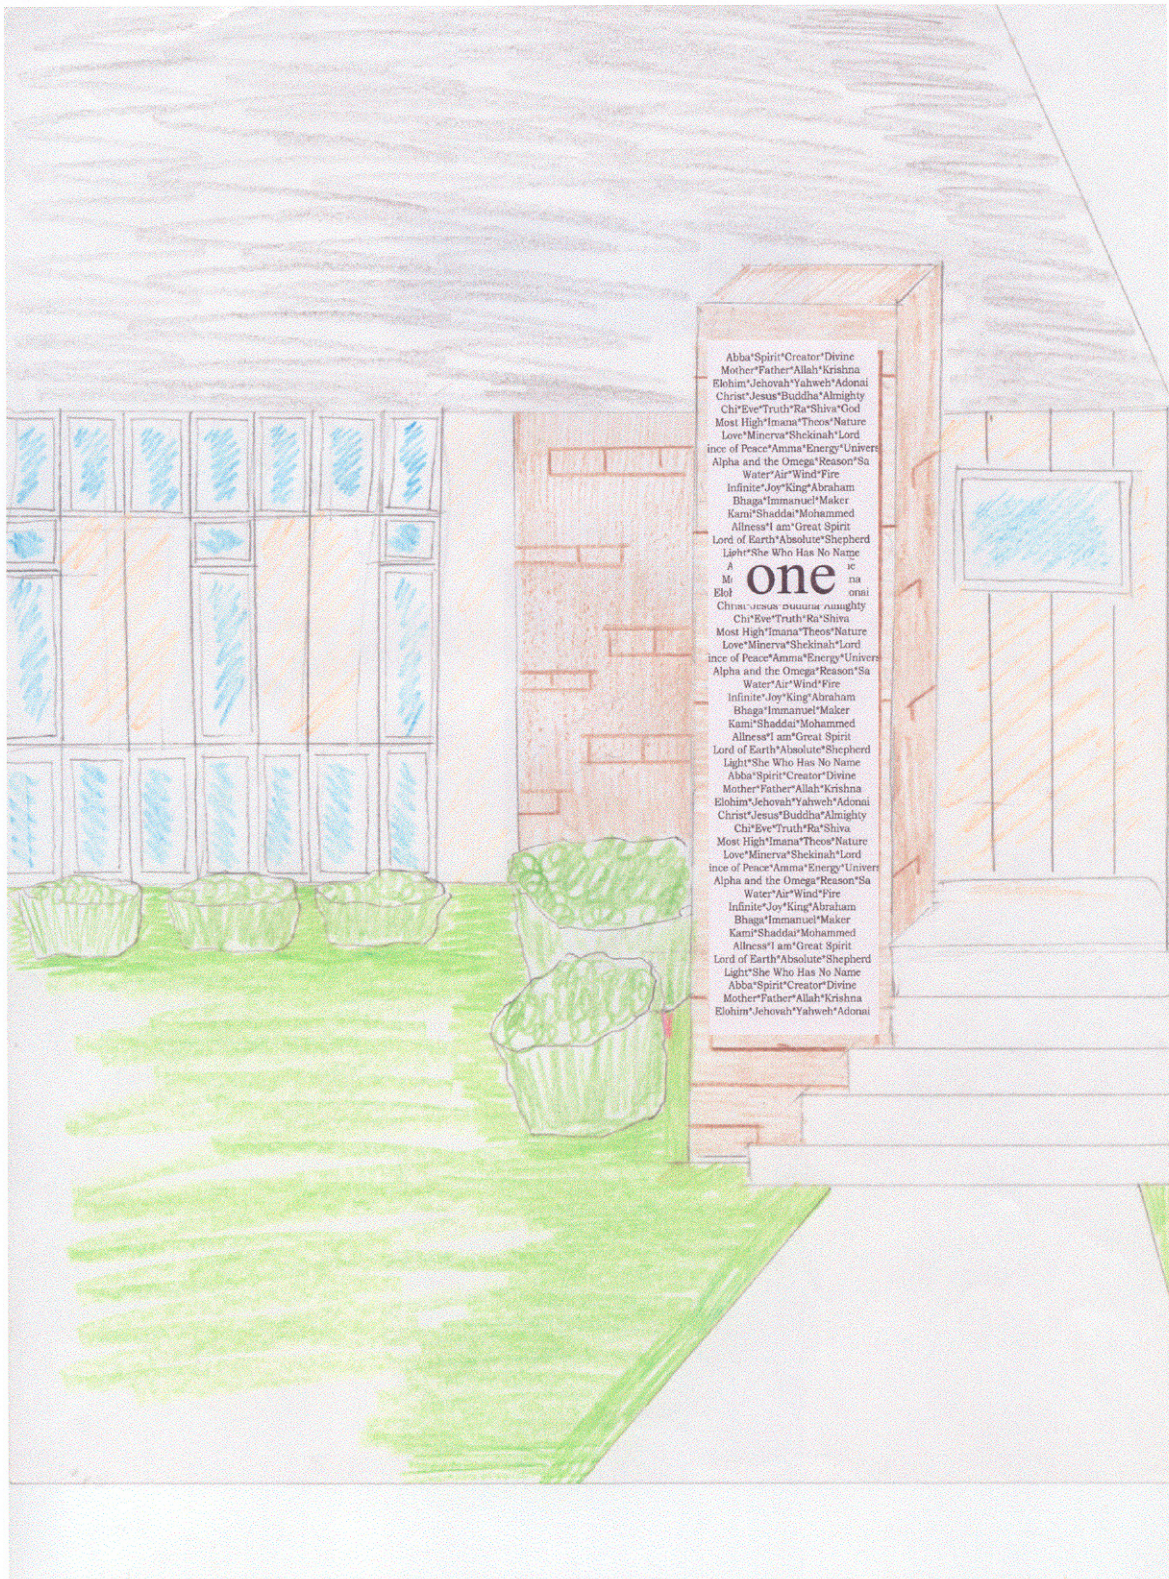

Figure 2. The two sides of the brick structure to which the metal facing would be applied. Facing Southeast.

Figure 3. Brick structure facing northeast.

Figure 4. Example words for “God” to be used in the sculpture.

Dear Barry Walthall:

As you requested the Arts Commission reviewed the proposed sign permit application at its January 12, 2005 meeting and voted 7-0 to recommend that the City Commission approve the proposed sign permit application as proposed.

Please advise if you need additional information.

Sincerely,

Michael Tubbs
Management Analyst and
Staff Liaison to the Arts Commission
