

January 18, 2005

Steve Bennett
City of Lawrence
6 East 6th Street
Lawrence, KS 66044

Dear Steve:

I am pleased to inform you that your Runway 1-19 Rehabilitation Project at Lawrence Municipal Airport has been selected as the winner in our Concrete Overlays category, and will be recognized at the 25th Annual MO/KS Portland Cement Concrete Paving Conference Wednesday, March 2, 2005, as the best PCC pavement constructed in this category for the 2004 year in the state of Kansas.

The awards luncheon will commence at 11:45 A.M. in the Imperial Ballroom at the Kansas City Marriott/Muehlebach Hotel, 200 West 12th Street, Kansas City, Missouri.

In the days that follow we will be emailing or faxing you a proof copy of the plaque for your review. Please verify that all of the information is correct. Please return a copy by email (ToddL@moksacpa.com) or fax (913-381-4958) A.S.A.P. with any necessary changes or marked "**no changes necessary**" if everything is correct. I would prefer to do this by email so please email me when you get this letter so I have your proper email address.

We will also be emailing or faxing you a sheet to list personnel involved with the project. Please **print or type** all names of individuals that should receive certificates and return by email or fax. In addition, you will be asked to please let us know those individuals from your organization that will be attending the awards luncheon so that we will have an accurate meal count. Lastly, we will be asking you to please identify the individual(s) from your organization that will come forward to receive the plaque.

If you have any questions please feel free to contact Cindy Allen or myself at 913-381-2251 or 800-288-5978. We greatly appreciate your assistance with this matter and look forward to seeing you at the conference. Once again, congratulations on your award winning project.

Sincerely,

Todd M. LaTorella, P.E.
