Dear Mike:

We are desirous of having the city vacate the right of ways upon our property that were created by the plat filed July 24, 1959.

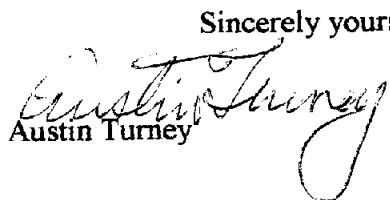

No action has been taken to effect this plat. We have no present desire to effect it and foresee no reason to do so. We have been advised by a real estate professional that the best course of action is to maintain this property as we have for many years.

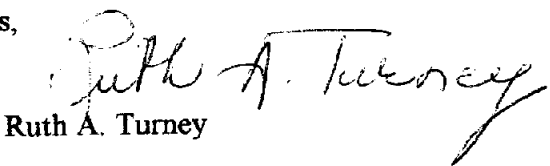

The areas involved are:

- 1) The 60 foot right of way on the east side extending from 15th Street to the present Delaware Street for approximately 383 feet.
- 2) The area marked as Delaware Court off Delaware Street.
- 3) The 25 foot right of way on the west side extending from 15th Street to the Brookdale addition, approximately 600 feet.

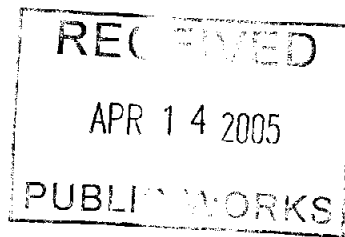

Please let us know what we need to do to pursue this proposal.

Sincerely yours,

Austin Turney

Dear Mike:

We are desirous of having the city vacate a portion of the Delaware Street right-of-way adjacent to our property that was platted as Brookdale Addition, filed in March 1954. No action has been taken to complete Delaware Street.

Please let us know what we need to do to pursue this proposal.

Sincerely,

Stanley Elmer
