Re: Family Resource Center and Booth Center, Lawrence, KS
von Achen Project No. 5816 File 0802 No. 004

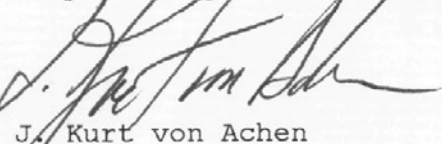

Dear Mr. Patterson:

On 25 May, 2004, the Lawrence City Commission approved item SP-04-21-04, Site Plan for Salvation Army, west of Haskell Avenue, between Lynn Street and Homewood Street. In accordance with Article 20-1430.1 "Same; Fees" of the City of Lawrence Zoning Ordinance and discussions with Planning Staff, we submit a check in the amount of \$25.00 and request that the approved site plan be reviewed and renewed for a period of one year.

There have been no changes in the site plan and the Owner is proceeding with some of the required site improvements, but is not in a position to request a building permit from the City.

The Ordinance language does not indicate if additional copies of the site plan are required for review. If additional copies are required we will be pleased to supply them.

Respectfully submitted,

J. Kurt von Achen
