Re: UPR-03-02-05

Dear Commissioners:

As a resident of the Brandon Woods retirement community, I am strongly in favor of your granting the proposed request for private club status of the Brandon Woods Retirement Center.

My offer to round up support to march on City Hall with canes flailing, walkers lurching, and wheelchairs rolling was rejected by the powers that be, but I assure you, many of us residents support this request with unflagging interest and great enthusiasm!

Cordially yours,
