RE: Engineering Proposal
6th & Louisiana ADA Sidewalk Improvements
Lawrence, Kansas

Dear Charles:

Thank you for the opportunity to provide this proposal. We are highly experienced with this type of work and are looking forward to working with you on this project.

For this project, we propose to provide the following scope of services:

1. Topographic survey of the southwest quadrant of the 6th Street and Louisiana Street Intersection.
2. Design of sidewalk improvements that meet ADA requirements. The sidewalk improvements will include handicap ramps and associated sidewalk improvements. Construction plans will be prepared for the improvements.

The fee for the scope of services listed above will be \$3,500. If design of the pedestrian refuge island is desired, an additional fee of \$500 should be added.

Thank you again for this opportunity. Please call if you have any questions.

Sincerely,

BG CONSULTANTS, INC.
