EASY RIDER SPEED BUMP

The Easy Rider speed bump reduces vehicle speeds to 2-5 mph. Molded bright reflective tape as well as high-quality cat's-eye reflectors alert drivers well in advance. Channeled bottom facilitates cables and drainage. Easy Rider is available in 4' and 6' lengths, along with end caps to protect the speed bump ends and motorists.

Dimensions

Easy Rider Speed Bump:

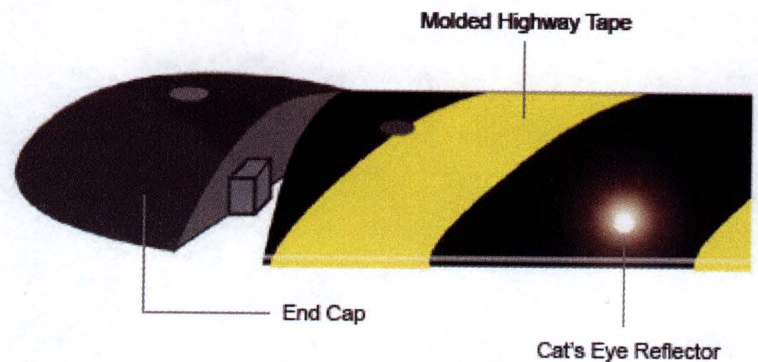

4' or 6' x 12" x 2 1/4"

32 lb. (4'), 51 lb. (6')

Easy Rider End Cap:

6" x 12" x 2 1/4"

5.5 lb.
