Dear Conner,

I'm writing this note to let you know I found your balloon at the Lawrence Municipal Airport. The airport is just on the northern edge of Lawrence, Kansas. I am a Supervisor with the City of Lawrence, Street Division. While we were doing maintenance on the Main Runway lights I noticed your red balloon at the end of the runway. To my surprise there was your note on the string.

I am attaching an aerial photo of the airport with a red X at the place I found your balloon. I am curious as to when you released the balloon in Olathe.

I think you are making a very wise choice by saying "NO TO DRUGS".

Sincerely,

Kevin C. Brock, Field Supervisor

Dear Mr. Brock:

Thank you so much for the nice letter and cool photo of the airport! We are so excited that you found Connor's balloon. It is the only one found from the second grade so far. Our whole school released red balloons on Thursday, October 27. We think it is so nice that you not only returned the balloon but wrote us a nice letter as well! Thank you!

Thank you  
so much

Sincerely,

From Connor, Ms. Goff Hughes
