In regards to: Get Downtown Banners

Mr. Barry Walthall
Building Safety Manager
Neighborhood Resources
1 Riverfront Plaza, Ste. 110
Lawrence, KS 66044

Dear Barry,

Please consider my request for a temporary permit for banners to be hung in conjunction with the upcoming September 14 live music event, Get Downtown.

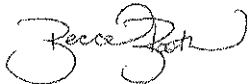

I am asking the City Commission's permission to hang two banners: one on the eastside of the intersection of 8th Street and Massachusetts and the second at the alley entrance of 8th Street between Massachusetts and New Hampshire streets. Both banners would span across 8th Street.

The banner placed at the intersection of 8th and Massachusetts would use the stop light poles located on the northeast and southeast corners of 8th Street and Massachusetts as anchors. I propose using Westar's utility poles located on either side of 8th street near both alley entrances. Westar officials have been contacted and I have received their permission to use these poles.

The banners are 40 feet long and 4 feet wide. The banners are made of weather-resistant nylon mesh material designed to withstand the wind.

If this permit is approved, banners might be hung as early as Wednesday, September 7, to promote this free public event. Thank you in advance for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Becca Booth".

To Whom It May Concern:

Please be advised The Lawrence Chamber of Commerce has contacted our office to obtain a quote for event coverage for the 14th of September 2007. We are prepared to have the policy issued should approval for the event be granted. The coverage will be issued with a \$1,000,000 liability limit.

Should you need additional information, please don't hesitate to contact our office.

Sincerely,

Connie Warner
