CITY MANAGERS OFFICE  
LAWRENCE, KS

May 23, 2011

Mr. Dave Corliss  
City Manager  
City of Lawrence  
PO Box 708  
Lawrence, Kansas 66044

Dear Mr. Corliss,

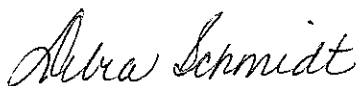

I am writing to express my concern over the proposal made by Community Wireless Communications (CWC) to the City of Lawrence in April 2011.

Of primary concern is CWC's request to access City-owned infrastructures. Should the City grant CWC's request, the City may be opening the door to disparate treatment of other for-profit companies.

With the recent acquisition of Sunflower Broadband, Knology counsel has not had an opportunity to review all material pertinent to this issue.

Before City staff drafts any new agreements, Knology respectfully requests an opportunity for its representatives to meet with City Manager Dave Corliss and City staff to discuss this issue; therefore, we ask that Regular Agenda Item 1 please be postponed until a future city commission meeting.

Sincerely,

Debra Schmidt  
Interim General Manager
