Subject: NO PARKING ON DAKOTA ST.

Dear Traffic Safety Commission;

I am writing because we are unable to attend the meeting for the discussion of adopting a NO PARKING on South side of Dakota St. We have written before but we strongly wish to request that this not be put into effect because as we originally stated our driveway is on Louisiana St. and we wait for long periods of time to get to back out of our driveway at critical times during the day, especially in the morning hours when people are leaving for work or driving their children to school.

It is our understanding that whoever put in for this request does not even live on the 500 block of Dakota St. We have seen no signs of anyone having any trouble getting through the parked cars. However, we have seen people speed up and down the street. While we make every attempt to avoid having to inconvenience anyone we would hope that everyone would understand our driveway situation and allow us to park on the street.

We appreciate your consideration that this request be denied.

Thank you for your time.

Mike and Vicki Turner
