

EAGLE BEND MAKES IMPROVEMENTS, SEES GROWTH

Eagle Bend Golf Course and Learning Center saw improvements on and off the course in 2012. Eagle Bend totaled 25,170 rounds in 2012 compared to 20,779 rounds in 2011, which is a 21 percent increase. With rounds going up, total revenue increased. Revenue for 2012 was \$821,020, a 14.7 percent increase over last years total of \$715,648. Eagle Bend ended the year making more than \$27,000 over operational expenditures for the year.

Eagle Bend was able to see revenue increase while also making improvements to the course and facility. Noatable improvements included:

- Switching from gas-operated to electric-operated golf carts
- Revamping the cart barn to accomadate electric carts
- Improvements to the Pro Shop/Snack Bar
- On course improvements to several holes, including stripping in zoysia fairways and excavating and working on several tee boxes.

Eagle Bend hopes to take these new improvements and continue progressing to have another successful year.
