IG (General Industrial) District to the north; existing auto salvage businesses. |

STAFF REVIEW

A Special Event Permit has been requested to allow parking on City property associated with an annual event to take place on the Douglas County Fairgrounds May 3-5, 2013. This annual event is known as the "Lawrence Swap Meet" hosted by the Lawrence Region Antique Automobile Club of America. The event activities occur primarily within the Douglas County Fairgrounds with parking for trailers and overflow guest parking provided on the Farmland ground on the east side of E 1575 Road.

Article 15 of Chapter 6 of the City Code regulates Special Events. Per Code, a Type 5 Special Event Permit [Public events intended primarily for entertainment or amusement, such as concerts or festivals] requires City Commission approval. Events that occur at the Fairgrounds are exempt from this requirement. However, the property being requested for the parking portion of the event is owned by the City. This event has occurred for many years and has not created issues with the Farmland property or with the demolition occurring on the Farmland property. A natural tree line provides a boundary from the parking area and the area being demolished. The tree line is sufficient to separate the parking area from the main facility located on the eastern portion of the Farmland property.

A new access was constructed last year by the applicant to the north of the SurePoint Medical leased area. The SurePoint Medical parking area will not be utilized for this event. Approximately one week before the event the applicant will seek access to the field and mow the field to establish access aisles and parking areas. At the end of the event the property is re-graded and reseeded, as necessary, to restore the field damaged by vehicles or ruts.

| Hours of operation for the public portions of the event are as follows: | | |
|---|------------------------|-------------------------|
| | Public Access | Vendor Access |
| Friday, May 3 | Noon to 6:00 p.m. | 11:00 a.m. to 8:00 p.m. |
| Saturday, May 4 | 6:30 a.m. to 6:00 p.m. | 6:00 a.m. to 8:00 p.m. |
| Sunday, May 5 | 8:00 a.m. to Noon | 7:00 a.m. to 5:00 p.m. |

Staff Recommendation: Planning Staff recommends approval of the Special Event for an "Antique Auto Show" May 3-5, 2013 for the event subject to the following conditions:

1. Property shall be restored to pre-event condition immediately following the event.
2. The Special Event Permit must be displayed on site during hours of operation.
3. Temporary sign permit must be obtained from Development Services for proposed temporary signage.
4. No structures shall be allowed in the Farmland portion of the activity area.
5. The applicant shall provide trash receptacles or other sanitation provisions as needed.
6. No use of the property currently leased to SurePoint Medical for the special event.
