

DADDY DAUGHTER DATE NIGHT 2013 HELD

Lawrence Parks and Recreation recently held it's annual Daddy Daughter Date Night, at the Douglas County Fairgrounds for its 11th year. More than 135 fathers and daughters were in attendance for the evening. **Did you know:** one benefit a daughter gets from relating to her father is a healthy concept of self? According to family therapist Dr. Jane R. Rosen-Grandon, a little girl's self-concept is "largely shaped by this early relationship."

Wizard of Oz was the theme of this year's dance. Participants were encouraged to dress up for this memorable night. This year's sponsors: Fuzzy's Tacos, Sunflower Rental, Complete Music, Packerware and Owen's Flower Shop, provided more than \$1,500 in in-kind donations to defray program costs.
