Subject: proposed city bidding process
Reply-To: Chris Ogle <oglecw@earthlink.net>

Please share this with all other city commissioners

Chris Ogle [8 minutes ago](#)

It seems to me the city has some "trust issues" with Lawrence taxpayers. Don't change the sealed bid process , enforce compliance from the contractor who is doing the work as specified in the sealed bid process.

If we (City) can't enforce the specs, then fix the enforcement issue.... not the bidding process.
