Berniece,

I am in receipt of your request and will attach to the agenda for consideration. As we discussed on the phone yesterday, this request will be reviewed by the City Commission once the public hearing is opened.

I am asking for an extension on the meeting which is scheduled for the 20 of this month with the city commission over 541 Perry, Lawrence, KS, 66044 which I have a contract for deed on and the city staff is trying to demand demolition.

I have a commitment that is out of the country that has been planned for a year.

I have secured a loan and have gotten a variance approved.

The actual owner Bob Gibler is needing a little more time for his attorney to get some federal tax liens resolved so we can close.

Sincerely, Audrey Berniece Garber
