5. Is this application being submitted by a Certified Local Government (CLG) ? Yes X No \_\_\_\_\_

6. Project Title: Barker Neighborhood Historic Resources Survey Phase I

7. Project Beginning Date: May 7, 2018 Project Ending Date: August 30, 2019

8. Project Type:

X	Survey and Inventory		Preservation Assistant
	National Register nomination		Educational Activity
	Preservation Plan or Ordinance		Other
	Design Review Guidelines		

9. Estimated Project Costs:

Total Project Cost	\$26,530
Federal Share (60%)	\$15,900
Matching Share (40%)	\$10,630
	Cash Match <span style="float:right">\$10,630</span>
	In-Kind Match <span style="float:right">\$0</span>

## PROJECT RATIONALE AND OBJECTIVES

The City of Lawrence is requesting a Historic Preservation Fund (HPF) grant to hire a consultant to conduct a survey and produce a building inventory and summary of findings for a portion of an area identified as the Barker Neighborhood in Lawrence. The Barker Neighborhood area is south and east of Lawrence's Downtown with Massachusetts Street the western boundary, 15<sup>th</sup> Street the northern boundary, 23<sup>rd</sup> Street the southern boundary, and the Burroughs Creek Trail the eastern boundary. The objective of the project is the identification and evaluation of historic resources in a portion of this area of the city, from New Hampshire Street on the west to Barker Avenue on the east, 15<sup>th</sup> Street on the north and 23<sup>rd</sup> Street on the south.

The identification of historic resources is the first step to the protection of historic resources. A survey produces raw data for individual resources including field documentation and photos of resources. This documentation is used in a variety of ways. The survey information can be used for future historic research projects on historic resources in the area and in the city, for planning purposes, and most importantly, for the determination of the potential effect of development projects on historic resources. The protection of historic resources is the policy of the Federal and Kansas government as well as the City of Lawrence. Data on existing historic resources is imperative to be able to determine if Federal, state, or local projects will impact historic resources. Without knowledge of the existence of historic properties, development can and often does have an adverse effect on historic resources.

Evaluation is the second step for the preservation of historic resources. This proposed survey project will include an evaluation document as part of the project. Like the identification step of historic resources protection, evaluation is used for research, planning, and determination of project effects on historic resources. The evaluation of the survey materials provides a compilation of the survey material in a way that identifies the broader scope of the project of the area. This is especially helpful with planning efforts for the city. Often collective groups of resource types indicate trends and development of an area that should be protected to maintain the overall sense of place of a historic neighborhood. Many of the structures in this area are fifty years or older and have not been significantly altered. Continued survey efforts help the community add to the existing knowledge about the built environment and further efforts to educate the general public about historic resources. This survey would help to identify potential local, state, and National Register properties allowing the city staff to work with property owners to provide protection and conservation of their resources.

Currently there is no survey data for this area of the city with the exception of east side of Massachusetts Street. Recently the Lawrence Preservation Alliance nominated a property to the Lawrence Register of Historic Places from this area. The Adam and Annie Rottman House located at 2127 Barker Avenue is an Italianate structure constructed c. 1872. This house was not surveyed. All survey data from this proposed survey project will be entered into the Kansas Historic Resources Inventory (KHRI) system and will be available not only for city planning and project review use, but also for the general public and other project reviewers to use for preservation planning.

There are two properties listed in the National Register of Historic Places in the Barker neighborhood. Neither property is located in the proposed survey area. There are now four properties listed in the Lawrence Register of Historic Places in the Barker Neighborhood. One of these properties is located in the proposed survey area, the Rottman House. The preliminary research for this grant includes the nomination for the locally listed property and a preliminary windshield survey by the Historic Resources Administrator to determine if there were sufficient historic resources to justify a historic resources survey.

While not identified as a specific priority for FY2018, the survey and identification of undocumented historic resources is the foundation of all preservation planning. The previous 2011-2016 Kansas Preservation Plan recognizes the importance of assisting local government in preservation planning efforts through HPF grants for survey to be used as planning tools.

The City of Lawrence is seeking grant support for this project due to limited staff and financial resources. While the conservation of historic resources is a priority for the city, historic resources staff time is dedicated to the review of projects to determine and mitigate their effect on historic resources. Staff time is also dedicated to listing properties in the Lawrence Register of Historic Places for protection of these significant historic resources. The proposed survey project requires a dedicated time allotment during a specific timeframe to complete the project in a proficient way. Similar to limited staff resources, there are no additional cash financial resources to hire a consultant available for a survey project. The historic resources budget is primarily used for publication of monthly meetings of the Historic Resources Commission. The city has made a financial commitment to assist the survey and the associated public meetings with staff time. While partial funding would allow some of the project area to be surveyed, this request is for Phase I of the neighborhood survey and decreasing the size of this proposed survey area will decrease the resources adjacent to the western boundary of the area that are in need of identification.

## **B. PROJECT DESCRIPTION AND PRODUCTS**

1. There will be two final grant products with this project. The first product is the entry of all survey information, including all photographs, into the Kansas Historic Resources Inventory (KHRI) system. These entries should include all information found on the individual properties including any information found in city directories or provided by current property owners at public meetings. The second product will be a survey report that will include the following:
  - a) Methodology of survey project;
  - b) Historic context and how it relates to "Historic Resources of Lawrence, Douglas County, Kansas" as amended (MPDF);
  - c) Physical Description of the Survey Area;
  - d) Architectural Description of the Survey Area
    - 1) Resources by Architectural Style
    - 2) Resources by Construction Date;
  - e) Distribution of Properties by Builder if Common; and
  - f) Maps and Figures as Supporting Information.

In addition to these two products, two public meetings will be held for the project. The first meeting will be a neighborhood meeting to invite residents of the neighborhood to learn more about the project and share any information they may have about their property. The second public meeting will be a presentation of the survey findings.

2. The Historic Resources Administrator will prepare the Request for Proposals as soon as the grant is awarded. Once the RFP is approved by the SHPO, it will be published and will be open for 30 days. It is anticipated that the consultant could be hired with a finalized contract by September 14, 2018. The survey and the development and writing of the summary document should be accomplished in ten months allowing for revisions and a final submission to SHPO by July, 2019. Grant closeout and final paperwork should be submitted by August 30, 2019.

The project will be completed by a consultant who meets the professional qualifications standards established by the National Park Service, SHPO qualifications, guidelines and approval. The consultant hired by the City of Lawrence will hold the first public meeting with staff assistance, do the survey, complete and upload the survey information into KHRI, and compile the survey report

identified above. City Staff will provide assistance to the contractor as needed, participate in the public information meetings, and assist with GIS mapping.

Upon receipt of Grant Notification – May 30, 2018	Draft RFP for SHPO Review
June 29, 2018	RFP Final Approval from SHPO
July 2, 2018	Publish RFP
August 3, 2018	Close RFP
August 30, 2018	Selection Completed/Contract Negotiation Completed
September 14, 2018	Contract Approved and Start Date for Consultant
May 30, 2019	All Final Forms Uploaded and Approved in KHRI
June 3, 2019	Draft Summary Document Submitted to SHPO for Review
July 31, 2019	Final Summary Document Submitted to SHPO
August 30, 2019	Required documentation submitted to the SHPO to close out grant.

3. The geographic boundaries of this project are approximately the western half of the Barker neighborhood. The survey area boundary on the west is the west side of New Hampshire Street, on the north, 15<sup>th</sup> Street, on the South, 23<sup>rd</sup> Street, and on the east, Barker Avenue. There are approximately 330 structures in the area.

4. The survey area comprises approximately 76 acres. (See attached map.)

**C. APPLICANT ORGANIZATION AND PERSONNEL**

1. The applicant is the City of Lawrence. The governing body of the City of Lawrence is the Lawrence City Commission. The Lawrence/Douglas County Planning Office is located in the Planning and Development Service Department of the City of Lawrence. The grant administrator is located in the Lawrence/Douglas County Planning Office. The grant administrator will be the City’s Historic Resources Administrator. The Historic Resources Administrator is a full-time position in the Lawrence-Douglas County Planning Department. Within the Planning Office there are two administrative assistants who perform general office and clerical work. There is also a Planner II in the Planning Department that provides GIS support for the Planning Department. Office space for the Planning Department is located in Lawrence’s City Hall. The Historic Resources Administrator is the staff support to the Lawrence Historic Resources Commission.
2. The Lawrence Historic Resources Commission will conduct the second public meeting for the final survey presentation and will provide feedback on the document to staff prior to the submission of the document to the SHPO. This proposed survey project and the compilation of the survey results into a summary document will allow the Lawrence Historic Resources Commission to continue its long term goal of creating a comprehensive inventory of historic resources.
3. The project will be completed by a consultant who meets the professional qualifications standards established by the National Park Service, SHPO qualifications, guidelines and approval. The requirement to meet National Parks Service Standards will be included in the RFP. The RFP process will be in accordance with the City of Lawrence and the SHPO requirements. The process includes:
  - a. release of the RFP to multiple outlets;
  - b. thirty days response time;

- c. review of responses by at least three staff members who have experience in RFP review;
- d. interview of consultants if needed;
- e. selection of consultant.

In addition to the process requirements for notice and publication which includes posting on Demand Star, the RFP will be sent to all known preservation consultants including those consultants listed on the SHPO published consultant list. The RFP will also be placed on the city's historic resources portion of the web site.

4. N/A.
5. The City of Lawrence has received HPF Grants since 1990 with the most recent grants in 2014 for an amendment to the city's multiple property documentation form to add "Lawrence Modern" for properties from 1945-1975; how to engage youth in historic preservation project in 2014; and a National Register nomination and Teaching with Historic Places program for Oak Hill Cemetery in 2015.
6. No other funding has been sought for this project. Funding sources for historic resources survey are very limited.
7. The Lawrence City Commission authorized the submission of this grant on March 6, 2018.

#### **D. PUBLIC EDUCATION AND IMPACT**

It is the practice of the City of Lawrence Historic Resources program area to include public information and participation meetings in all grant activities. The proposed project will have a significant impact in the area of public education. As part of the project, the HRA and consultant will host an initial "kick-off" meeting inviting local residents and the general public to attend. This informational meeting is not only an opportunity to educate the general public on the merits of historic preservation, the importance of historic resources surveys, and historic resources protection, but it is also an opportunity for residents of the survey area to participate in the survey. Residents will be asked to bring any information or historic photos they may have about their property. The second public meeting is the opportunity to educate the general public on the findings of the survey and broader findings about the patterns of the history of Lawrence. This meeting will be noticed as part of a Historic Resource Commission meeting and will have a special notice through the city's MailChimp service. Finally, as part of the public education process, copies of the end products will be on file at: the community museum, on the city's web page, and available at the SHPO. This distribution should afford expanded opportunities for individuals within the community to access the information.

The products of this project will touch many different segments of the community. The survey information gathered will assist in the preservation of historic resources. From a policy maker perspective, the survey information gathered will provide a broad-based foundation upon which to make land use and preservation related decisions. And, from the city planner/historic resource administration perspective, the survey information gathered will be a valuable addition to the survey inventory maintained by the City. The Historic Resources Commission will also use the survey information when conducting local preservation reviews and State Preservation Law reviews.

**E. PROJECT BUDGET**

**1. Budget Chart**

BUDGET ITEMS	1. RECIPIENT MATCH		2. INDIRECT EXPENSES	3.FEDERAL SHARE	4. TOTAL
	a) CASH	b) IN-KIND	Maximum 10% of salaries.		
1. SALARIES (list each separately)					
Administrator	8400				
Surveyor					
Administrative Support	1480				
Volunteer(s)					
Bookkeeper					
Planner II GIS	750				
Consultant				15,900	
2. Mileage					
3. Expendable Supplies					
4. Communication					
5. Office Rent					
6. Printing and Advertising					
7. Utilities					
8. Equipment Rent					
9. Equipment Maintenance					
10. Insurance and Bonding					
11. Other					
<b>TOTAL</b>	10,630			15,900	26,530

2. Budget Narrative

PARTY	RESPONSIBILITIES
CONSULTANT	Photography; site surveys and preparation of inventory information uploaded into KHRI; preparation of summary document; mapping; and public meetings.
HISTORIC RESOURCES ADMINISTRATOR	Development and RFP process; prepare monthly reports for submission to SHPO; grant administration including final grant reporting; public meetings; review of consultant document(s); coordinate review process; assist consultants with GIS information; mapping; etc.
PLANNER II GIS SUPPORT	Assist consultants with GIS information, mapping, etc.
ADMINISTRATIVE SUPPORT	Editing, mailings, clerical and copying assistance to the Historic Resources Administrator.
<p>Accounting System. The City will employ its standard accounting and auditing practices for this grant. The annual audit meets OMB Circular A-128 audit guidelines. Two copies of the completed audit will be supplied upon request.</p>	

**BUGET INFORMATION**

Salaries:

Consultant	\$15,900
Administrator (Planner II) 150 hrs @ \$56	\$8,400
Administrative Assistant 40 hrs @ \$37	\$1,480
Planner II 15 hrs @ \$50	\$750
*Salaries include benefits	
 Total	 <u>\$26,530</u>

The City of Lawrence qualifies for a 60/40 split of the proposed project; the City is submitting a grant application requesting funding in the amount of **\$15,900**. The City will provide the remaining \$10,630 as a cash match in staff salaries.

## ASSURANCES

Applicants must agree to the following assurances for their applications to be considered for funding. Applicants hereby agree and acknowledge that:

- (1) if they are awarded funds, they will conduct their operations in accordance with Title VI and VII of the Civil Rights Act of 1964, as amended, the Rehabilitation Act of 1973, as amended, the Kansas Act Against Discrimination, and the Americans With Disabilities Act of 1990 which bar discrimination against any employee, applicant for employment, or any person participating in any sponsored program on the basis of race, creed, color, national origin, religion, sex, age, or physical or mental disability, and require compensation for employment at no less than minimum wage requirements, and will provide safe and sanitary working conditions;
- (2) all consultants and contractors hired to implement the project activities must be hired through competitive procurement procedures as outlined in the 2016 HPF Grant Guide to be received at grant orientation;
- (3) they will perform no work for which reimbursement will be requested or match claimed until (a) they have been notified that their application was approved; (b) a project agreement has been signed by the applicant and the State Historic Preservation Officer; and (c) they have been notified in writing that the work may begin;
- (4) they have sufficient funds to match the Historic Preservation Fund grant and will pay for materials and services pending reimbursement by the Kansas Historical Society;
- (5) they will carry out the project in accordance with the relevant standards and guidelines developed by the Secretary of the Interior for Preservation Planning, Identification, Evaluation, and Registration;
- (6) they will follow the guidelines established by the Kansas State Historic Preservation Office and the U.S. Department of the Interior for the Historic Preservation Fund grant-in-aid;
- (7) they will notify the Kansas State Historic Preservation Office of any changes in the source or sources of the match, the project conditions, project scope of work, personnel changes, or of any other factors that might affect the progress, completion or outcome of the project;
- (8) the filing of this application has been approved by the legally authorized governing body of the applicant, if applicable;
- (9) the facts, figures, and information contained in this application, including all attachments, are true and correct. The submission of fraudulent information is grounds for the cancellation of a Historic Preservation Fund grant; and
- (10) all components of the grant application, including mandatory attachments are included and no additional or missing materials will be submitted after the stated application deadline.

## ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503

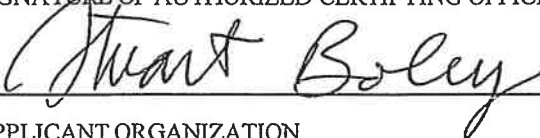

**PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.**

Note: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States, and if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§ 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§ 290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. § 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with the provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874) and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-333), regarding labor standards for federally assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clear Air) Implementation Plans under Section 176(c) of the Clear Air Act of 1955, as amended (42 U.S.C. §7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended, (P.L. 93-523); and (h) protection of endangered species under the Endangered Species Act of 1973, as amended, (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §1721 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, AAudits of States, Local Governments, and Non-Profit Organizations.≡
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations and policies governing this program.
