ConnectHomeUSA Program by EveryoneOn
Re: 2018 Community Application
718 7th Street N.W., Second Floor
Washington, DC, 20001

Dear ConnectHomeUSA:

This letter is written on behalf of The Lawrence-Douglas County Housing Authority (LDCHA) by the City of Lawrence acknowledging and supporting its application for the ConnectHomeUSA program. The goal of bringing free high-speed Wi-Fi to the low-income families in the Edgewood Homes development is one that the City supports. The City and LDCHA have partnered in many successful projects, including the recent submission of the Assessment of Fair Housing to HUD. There is a strong history of collaboration and partnership between our two agencies. We look forward to this new project and offering staff support and technical assistance to this very critical community collaborator.

If we can be of further assistance or you have additional questions, please call Danelle Dresslar, Community Development Manager, at 785-832-3108.

Sincerely,

Stuart Boley
Mayor
