RE: 24th and Inverness; SP-16-00155

Dear Planning Staff,

We are requesting a one year extension of the approved site plan for 24th and Inverness, which expires June 20, 2018. The owner of this property has signs posted on the site, and has hired a realtor in hopes of finding tenants for the site.

We feel this extension is in the spirit of the Development Code, in that there would be no changes to the site plan with a resubmittal.

Please let us know if you need any further information.

Sincerely,

Joy Rhea, RLA
