Purpose of Travel			
Educational - EMS World Expo			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>EMS World Expo is one of the largest conferences that offers continuing education for pre-hospital providers and administrative staff. This year's pre-conference offerings had a Mobile Integrated Health Summit. This was a one-day (8 hour) offering collaborated billing opportunities, special program ideas and implementation strategies. In addition to the MIH Summit, general course offerings were attended for additional CEUs and content.</p>

Purpose of Travel			
Educational - Greenbuild			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>Greenbuild hosts the largest annual event for green building professionals worldwide where attendees learn and source solutions to improve resilience, sustainability, and quality of life in our buildings, cities, and communities. The Greenbuild education sessions qualify for GREEN BUSINESS CERTIFICATION INC. (GBCI) CE credits which are required for renewal of my LEED AP credential. I utilize my LEED AP credential during project management and policy development. I will network with my peers at the Expo to learn from their practices and policies to benefit the City. This opportunity aligns with the Strategic Plan commitments of Environmental Sustainability and Engaged &amp; Empowered Teams.</p>

Purpose of Travel			
Educational - ICMA Annual Conference			
How does this travel apply to your job? How will this add value to the City of Lawrence?			
<p>ICMA is a membership organization that provides annual training and networking for those who work in the space of local government management. It is a critical connection and education space for my continued development in the profession.</p>
