2. Select the search drop down arrow ∨ and choose the category. From there, enter keywords or addresses on the search bar, then press the blue search button.

Note: There is a blue loading mark at the top of the page. Please be patient as the records are loading from the system.

3. Or use the advance search button that appears after you select the category to get a more direct search.

A screenshot of the Lawrence Kansas Public Information search interface. The top navigation bar includes links for Home, Web Links, Apply, Today's Inspections, Map, Report, Pay Invoices, Search, and Calendar. The main heading is "Public Information". Below this, there is a search section with a "Search" label and a dropdown menu currently set to "Permit". To the right of the search section, there are three buttons: "Search", "Advanced", and "Reset", which are highlighted with a red rectangular box. The search form itself is divided into two columns. The left column contains fields for "Permit Number", "Permit Type" (a dropdown menu with "--Select Permit Type--"), "Status" (a dropdown menu with "--Select Permit Status--"), "Address" (a text input with "Search Addresses" placeholder), "Applied Date", "Issued Date", "Expiration Date", and "Finalized Date", each with a calendar icon. The right column contains fields for "Project Name", "Parcel Number", and four "To" date fields, each with a calendar icon.

If you have any questions, please call Planning & Development Services at 785-832-7700, option 7 or send an email to PDSAdmin@lawrenceks.org
